

# Sample Bequest Language

---

## Residual Bequest Language

A residual bequest comes to us after your estate expenses and specific bequests are paid:

*I give, devise, and bequeath \_\_\_\_\_ (dollar amount, percentage, or percent of the rest, residue, and remainder of my estate) to VNA Community Healthcare, now or formerly in the town of Guilford, 753 Boston Post Road, in the State of Connecticut, to be used for its general purposes.*

## Specific Bequest Language

Naming VNA Community Healthcare as a beneficiary of a specific amount from your estate is easy:

*I give, devise, and bequeath \$ \_\_\_\_\_ to VNA Community Healthcare, now or formerly in the town of Guilford, 753 Boston Post Road, in the State of Connecticut, to be used for its general purposes.*

## Contingent Bequest Language

VNA Community Healthcare can be named as a contingent beneficiary in your will or personal trust if one or more of your specific bequests cannot be fulfilled:

*If (insert name) is not living at the time of my demise, I give, devise, and bequeath \_\_\_\_\_ (all or a percentage of the residue of my estate) to VNA Community Healthcare, now or formerly in the town of Guilford, 753 Boston Post Road, in the State of Connecticut, to be used for its general purposes.*
